

BOSTON EXPO FLOOR PLAN

APR 18-19, 2018 // BOSTON, MA

BOSTON CONVENTION & EXHIBITION CENTER

KEY:

Tech Theater

Engineers, designers, and decision makers come here to ask questions, get answers, and discover the latest innovations for their active and upcoming projects.

Center Stage

Free presentations, demos, and discussions inspire attendees to walk the expo floor in search of new suppliers and solutions for their projects.

ESC Engineering Theater

Attendees can expand their embedded systems knowledge through free presentations, demonstrations, expert-led panels, and tech trivia.

Sensors Zone

An expo floor hotspot, this dedicated area showcases the latest trends in popular sensor technologies in a dedicated hub on the show floor.
